

MTNSOS SCHOLARSHIP APPLICATION & FUNDING REQUIREMENTS

Mountain School of Strings (MtnSoS) strives to provide financial support to committed students who would otherwise not be able to take stringed instrument lessons. Scholarships are need-based and MtnSoS board members review each application individually. **ALL INFORMATION IS CONFIDENTIAL. APPLICATION & FUNDING REQUIREMENTS:** We require parental/caregiver involvement in our program to assure the best support for our students. This supervision assists MtnSoS staff to maintain a safe, monitored environment during our classes and at MtnSoS events. A **minimum of two (2) volunteer hours per calendar month** must be completed for scholarship funding to continue. Our funding comes from generous community donors, sponsors and grants. We do our best to thank every single person or business who has monetarily helped this program's financial strength to grow and remain an important musical outlet for our students. Each scholarship recipient will be given a name of a donor, a **thank you card** and a stamped envelope from MtnSoS to write their thanks, to describe how music has impacted their life and then send out! We want our donors to know that their money goes towards a music program that impacts our students' lives daily.

APPLYING FOR: FULL PARTIAL \$ _____

/We agree with the terms of the scholarship application and funding requirements.

Student Name _____

Parent/Volunteer Name _____
